

## A NOTE TO OUR VALUED PATIENTS

---

We are learning more about the coronavirus everyday and we feel it is best for our team and patients to be able to stay home during this time. We are limiting our practice to **emergency dental treatment only.**

All non-essential and elective dental services will be delayed until further notice. The health of our community is our number one priority; this is how we can do our part to prevent the spread of COVID-19.

As soon as it is responsible to do so, we will re-open—however, if you experience a dental emergency, please call (705) 435-5102 or email [dental@allistonkinddentistry.ca](mailto:dental@allistonkinddentistry.ca) as treatment can still be provided. We are only seeing patients by **appointment only.**

Thank you for your co-operation!
